In celebration of National Nurses Week 2025

Blessing of Hands

WHAT: This blessing ritual is facilitated by chaplains in healthcare settings for healthcare staff. It is an opportunity to briefly pause, to breathe, AND to celebrate, affirm and bear witness to your sacred vocation as a caregiver in healthcare. (*This is open to all – both religious & non-religious, faith or no faith*).

WHEN: **8 AM – 1 PM, May 6 to 9** (Tuesday - Friday).

*NOTE: You are welcome to schedule beyond these dates.

HOW: To schedule a blessing of hands, please e-mail Chaplain Donnel at dmillermu@phs.org – include your preferred date and time. The chaplain will come to you for 1-on-1 or group blessing with your team. Or simply ask the chaplain when you see or cross paths with him.
