

## Changes (Justin Bieber)

Fm7 - Em7 - Dm

Some days I move like water  
 Some days I burn like fire  
 Some days I wanna push further  
 Some days I wanna do nothing

**I just wanna be the best of me  
 Even though sometimes, we might disagree  
 So that I can be the best for you  
 That's all I wanna do**

**I'm going through changes  
 I'm going through changes  
 Though I'm going through changes  
 Don't mean that I changed**

Sometimes I'll go to sleep early  
 Sometimes I can't close my eyes  
 Sometimes I smile like it's all good  
 Even though there's pain underneath it  
 (CHORUS)

Yeah, I'm going through changes  
 I'm going through changes (ooh, yes I am)  
 Oh, I'm going through changes (that's right)  
 Don't mean that I'll change, whoa  
 La-da-da-da-dum, la-da-da-da-dum  
 La-da-da-da-dum, la-da-da-da-dum, no  
 La-da-da-da-dum, la-da-da-da-dum  
 I'm going through changes  
 No, I ain't changed, yeah  
 Uh, people change, circumstances change  
 But God always remains the same

## GRAVEYARD (by Halsey)

[INTRO] F - Am7 - Cmaj7 5TH FRET

F  
It's crazy when  
Am7 Cmaj7 F  
The thing you love the most is the detriment  
Am7 - Cmaj7

Let that sink in  
F  
You can think again  
Am7 Cmaj7  
When the hand you wanna hold is a weapon and  
F Am7 - Cmaj7  
You're nothin' but skin

### PRE-CHO

Cmaj7 F G  
Oh, 'cause I keep diggin' myself down deeper  
Am7 Cmaj7  
I won't stop 'til I get where you are  
F G Am7 - Cmaj7  
I keep - running, I keep - running, I keep - running  
F G Am7 Cmaj7  
They say - I may - be making a mistake  
F G Am7 - Cmaj7  
I would've followed all the way, no matter how far  
F G Am7 Cmaj7  
I know - when you go - down all your darkest roads  
F G Am7 - Cmaj7  
I woulda followed all the way to the graveyard

### CHORUS

Cmaj7 F G  
Oh 'cause I keep diggin' myself down deeper  
Am7 Cmaj7  
I won't stop 'til I get where you are  
F G  
I keep running when both my feet hurt  
Am7 Cmaj7  
I won't stop 'til I get where you are  
F G Am7 Cmaj7  
Oh - when you go - down all your darkest roads  
F G Am7 - Cmaj7  
I woulda followed all the way to the graveyard

F  
You look at me  
Am7 Cmaj7 F  
With eyes so dark, don't know how you even see  
Am7 - Cmaj7  
You push right through me  
F  
It's gettin' real  
Am7 Cmaj7  
You lock the door, you're drunk at the steering wheel  
F Am7 - Cmaj7  
And I can't conceal

### PRE-CHORUS + CHORUS

F  
Oh, it's funny how  
Am7 Cmaj7 F  
The warning signs can feel like they're butterflies

### PRE-CHORUS + CHORUS

**NAME A PHRASE OR IMAGE  
OR WORD THAT RESONATED  
WITH YOU.**

**I WONDER WHAT IT MEANS  
FOR YOU TO FOLLOW THE  
DARKEST ROADS?**

WE DIG OURSELVES DEEPER?**

**A Prayer**

(by Pádraig Ó Tuama)

So let us pick up the stones over which we stumble,  
friends, and build altars. Let us listen to the sound of  
breath in our bodies.

Let us listen to the sounds of our own voices, of our  
own names, of our own fears. Let's claw ourselves out  
from the graves we've dug. Let's lick the earth from  
our fingers. Let us look up and out and around. The  
world is big and wide and wild and wonderful and  
wicked,

And our lives are murky, magnificent, malleable, and  
full of meaning. Let us pray.

## THE NEXT RIGHT THING (4th F)

(by Kristin Anderson-Lopez & Robert Lopez)

Am F  
I've seen dark before, but not like this  
G Em  
This is cold, this is empty, this is numb  
Am G  
The life I knew is over, the lights are out  
Em F  
Hello darkness, I'm ready to succumb  
Am F  
I follow you around, I always have  
G Em  
But you've gone to a place I cannot find  
Am G  
This grief has a gravity, it pulls me down  
F C D - E  
But a tiny voice whispers in my mind  
Am G  
You are lost, hope is gone  
C F  
But you must go on  
C G - E  
And do the next right thing  
Am F  
Can there be a day beyond this night?  
G Em  
I don't know anymore what is true  
Am G  
I can't find my direction, I'm all alone  
F C D - E  
The only star that guided me was you  
Am G  
How to rise from the floor?  
C F  
But it's not you I'm rising for  
C G  
Just do the next right thing

F G  
Take a step, step again  
C Am F  
It is all that I can to do  
G F - C  
The next right thing  
F G  
I won't look too far ahead  
Em F  
It's too much for me to take  
Am C F  
But break it down to this next breath, this next step  
C Am - E  
This next choice is one that I can make  
Am G  
So I'll walk through this night  
C F  
Stumbling blindly toward the light  
C G  
And do the next right thing  
F G  
And with the dawn, what comes then?  
C G Am F  
When it's clear that everything will never be the same again  
Dm Em - F  
Then I'll make the choice to hear that voice  
G C  
And do the next right thing

**Sending You Light** (By Melanie DeMore) – 1<sup>st</sup> Fr

I am sending you Light, To heal you, To hold you

I am sending you Light, To hold you in Love

**I am sending you Light, To heal you, To hold you**

**I am sending you Light, To hold you in Love**

No matter where you go

No matter where you've been

You'll never walk alone

I feel you deep within, so...

No matter what you feel

or what you choose to show

I'm always there for you

And so I want you to know, that ...

I walk the path with you

Go slow dear one don't hurry

I'll go just like you need to go

There is no need to worry, cause ...
