Bottled Up Feelings Blocking My Healing (4th FRET)

(by Chaplain Donnel)

CHORUS Am7 - Cmaj7 - F

*Bottled up feelings, blocking my healing
It feels like protection,
Break it open, and let the light come in. ↓
Bottled up feelings, blocking my healing
It feel like protection,
But it's a potion of poison I need to let go.↑*

F - G - Am7 - Cmaj7

When your sad, open the bottle
Let the tears flow, it'll make the seeds grow
When you're angry, open the bottle
Feel the fire burn, in-the-dark light shall return

[BACK TO CHORUS]

F - G - Am7 - Cmaj7

When you're scared, open the bottle
Open heart, the pain will depart
Full of judgment, open the bottle
The child within is waiting to be loved

[BACK TO CHORUS]

CLOSING PRAYER

Holy One, when we find ourselves in a time of great sorrow, give us the gift of tears, the gift of experiencing our feelings, that moves us beyond sadness into compassion so we can walk and companion each other during our times of struggle. Teach us to lament, so that we do more than regret our circumstances.

Lest we forget, as written in the Psalm 126 – **that those who go out weeping, will return with songs of joy.** And as stated in the Beatitudes: **that those who mourn will be blessed and comforted**, and in John 16, **that our grief will turn back to joy.**

Source of Life, give us light in our darkness, so we can find a way forward by taking the next right step in journey towards healing. **AMEN**
