

A New Day

(by Rev. Dr. Sarah Griffith Lund; Adapted by Chaplain Donnel)

Today is a never seen before day
a new chance to live
a new story unfolding

I give thanks for the gift of today
the gift of waking up
the gift of breath

Divine Mystery, guide my way
inspire my thoughts
speak truth in to my words
empower my actions

May I embody grace to listen
peace to be still
mercy to let go
love to stand on
