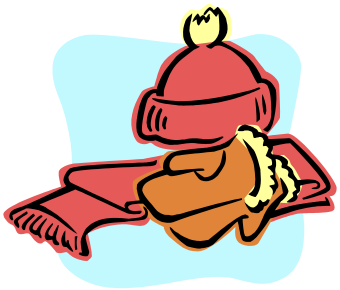
Give the gift of warmth this Holiday Season!



Let's warm some hands and hearts this holiday season!

Oh Christmas Tree, oh Christmas Tree, How lovely are the folks who decorate your branches!

Bring new or clean, gently used mittens, gloves, scarves and winter hats to the

Kaseman Tree of Warmth!

The items will decorate the tree near the cafeteria until the morning of December 18th, when they will be given to *Health Care for the Homeless*. Thank you in advance for your kind generosity.
